

## JEANNE MAGER STELLMAN, PHD

117 Saint John's Place

Brooklyn, NY 11217

jms13@columbia.edu

### Education

City College of New York	BSc	1968	Chemistry
City University of New York	PhD	1972	Physical Chemistry

### Academic Appointments

2008 -- Professor Emerita and Special Lecturer, Mailman School of Public Health, Columbia University

2007 -- 2012 Professor, Environmental & Occupational Health and Professor, Neurology, SUNY-Downstate Medical Center School of Public Health, Brooklyn, NY. Chair, Environmental & Occupational Health Sciences and Associate Dean for Research, (2007-2009).

2006 - Visiting Professor, Psychiatry. Mount Sinai School of Medicine, New York, NY.

1980 - 2007 Department of Health Policy and Management, Columbia University Mailman School of Public Health.; Deputy Chair (1997 – 2007); Director, General Public Health, (2000-2007.)

1975–80 University of Pennsylvania School of Medicine. Clinical Associate Professor of Research Medicine. Member of Graduate Group in Epidemiology

1971–75 Rutgers Labor Education Center, Rutgers University. Adjunct Professor.

1969–72 City College of New York. Instructor, Department of Chemistry.

### Other Appointments

1986-2004 Haworth Press, Editor, *Women & Health*; 1986-2004

1998–2003 Treasurer, International Relief and Development Inc.; Board Member 2003-2004

1991-1998 International Labor Organization, Geneva Switzerland (on leave and by special arrangements with Columbia University). P4 -(Editor, ILO Encyclopaedia of Occupational Health and Safety, 4<sup>th</sup> Edition.)

1988-1997 Exposure Consultant, Agent Orange Veterans Payment Program, U.S. Eastern District Court (Judge Weinstein presiding).

1988-present Founder and President, Foundation for Worker, Veteran and Environmental Health

1971–75 Assistant to President for Health and Safety, Oil, Chemical and Atomic Workers International Union.

### Honors and Awards

2010 Radcliffe Institute of Advanced Study, Harvard University: Stellman papers online ([http://oasis.lib.harvard.edu/oasis/deliver/deepLink?\\_collection=oasis&uniqueId=sch01315](http://oasis.lib.harvard.edu/oasis/deliver/deepLink?_collection=oasis&uniqueId=sch01315))

2003 Agent Orange work featured at Science Museum of London exhibition, April 17-June 17.

2003 Agent Orange Research chosen as among 100 most important in 2003, *Discover*

2003 Townsend Harris Medal – City College of New York

2003 The American Legion Distinguished Service Medal (Legion's highest honor)

1999 Honoree, New York Committee for Occupational Safety and Health (NYCOSH) – 20<sup>th</sup> Anniversary

1996 Distinguished Alumni Award, City University of New York

1991 Appointed by United Nations, International Labor Organization, as Editor-in-Chief, Encyclopaedia of Occupational Health and Safety, 4<sup>th</sup> ed.

1990 The American Legion Meritorious Service Recognition Award

1990 Vietnam Veterans of America Special Recognition Award

1990 Personal papers donated to Schlesinger Library of Radcliffe College, by invitation

1989 American Society of Safety Engineers (Long Island) Annual Service Award.

1988 Guggenheim Fellowship

1980–85 Preventive Oncology Academic Award, National Cancer Institute (5 year)

1980 MS. Magazine: One of “Eighty Women to Watch in the 80’s”  
 1972 Sigma Xi, Chemical Honor Society  
 1970–72 New York State Regents Fellow  
 1969 National Science Foundation Graduate Traineeship  
 1968 National Aeronautics and Space Administration Traineeship  
 1964 New York State Regents Scholarship; National Merit Finalist

Listed in Who’s Who in America, Who’s Who in the World, Who’s Who in American Women;  
 AcademicKeys Who's Who in Health Sciences Education (WWHSE)

### **Editorships & Guest Editorships**

Editor-in-Chief, ILO Encyclopedia of Occupation Health and Safety, 4th edition 1991-1998  
 Section Editor: *Occupational And Environmental Determinants Of Health*, in “Women and Health, 2<sup>nd</sup> ed,” Goldman and Troisi, eds. Academic Press, 2012.  
 Guest Co-Editor: *Sozial- und Praventivmedizin*. 48(6), 2003.  
 Editor, *Women and Health*: 1986 - 2004. Currently Associate Editor.  
 Editor, *Women’s Occupational Health Resource Center News* (1979-1990)  
 Guest Editor: *Occupational Health Nursing Journal*: October, 1982  
 Guest Editor: *Preventive Medicine*: September, 1980  
 Contributing Editor: *Environment*: 1975-1976

### **Editorial Boards:**

*Journal of Occupational Health Psychology*, 1994 – 2000  
*Hospital Employee Health*, 1985–94  
*Women and Health*: 1983–85  
*Industrial Hygiene Safety News*: 1982–90

### **Selected Recent Peer Reviewer Activity**

Environmental Research, Environmental Science & Technology, J. Consulting & Clinical Psychology; J  
 Occ Env Medicine; J. American Public Health Association, J Amer Med Womens Assoc; Preventive  
 Medicine, *Sozial- und Praventivmedizin*, J. of Traumatic Stress.

### **Fellowships and Grant Support**

National Institute on Aging, *Lifespan Outcomes of Military Service* (A. Spiro, PI 1R24AG039343-01);  
 network collaborator, 2010-2015.  
 Co-Principal Investigator, HEALNY-Phase 9: Local Health Planning Initiative – The Brooklyn  
 Healthcare Improvement Project (2009-2011) – NY State Department of Health. \$926,000.  
 Principal Investigator, NLM/NIH Grants for Scholarly Works in Biomedicine and Health “A Data  
 Resource for the Health and Environmental Consequences of the Vietnam War’ (2007 – 2011).  
 \$234,000  
 Co-Principal Investigator, NIH 1R21CA114064-01A2, “Columbia-GHI Consortium for Claims-Based  
 Cancer Studies” (2007-2010).  
 Academic Director, Macy Foundation Scholars Program, Mailman School of Public Health.  
 Co-Principal Investigator, US Army Medical Research and Materiel Command Grant No. PC020527  
 "Prostate Cancer Mortality and Herbicide Exposure in Vietnam Veterans." (2003-2005) First year  
 direct costs: \$398,512.  
 Principal Investigator, Subcontract to the National Academy of Sciences. “Characterizing Exposure of  
 Vietnam Veterans to Agent Orange and other Herbicides in Vietnam.” 5/1/98-6/30/03 \$5,004,708.  
 Director CSPH-American Cancer Society Cooperative Evaluation Fellows Program  
 Co-Principal Investigator, NYC Department of Health, “Development and Feasibility Testing of  
 Interventions to Increase Health Seeking Behaviors in, and Health Care for, Populations at High  
 Risk for Gonorrhea.” 1996-1997.  
 Principal Investigator. American Cancer Society, “Epidemiology and Statistics Department Grant:  
 Analysis of Women’s Health Experience in CPSII.” 1988-1989.

Guggenheim Fellowship: “A Chemical Systems Approach to Toxicology.” 1988–89.  
Principal Investigator: Ontario Provincial Service Employees Union contract. “Health and Well-Being of Provincial Employees.”  
Principal Investigator: National Cancer Institute: Preventive Oncology Academic Award, 1K07-CA-00730, 9/30/80-8/31/85.  
Principal Investigator: National Institute for Mental Health: “Stress and Mental Health in Open Office Environments,” MH33622, 1/15/80–10/31/83.  
Principal Investigator: U.S. Environmental Protection Agency: “Epidemiological and Environmental Study of Ethylene Oxide Exposure Among Health Care Workers,” EPA- CR808429010, 10/20/80-10/19/83.  
Principal Investigator: U.S. Department of Labor: “Women’s Occupational Safety and Health Competency Project,” OSHA E9FOD456, 9/29/79–9/29/85.  
Principal Investigator: University of Pennsylvania: Cancer Center Biomedical Research Grant, 1978.  
Principal Investigator: U.S. Environmental Protection Agency: Assessment of Health Effects of Arsenic,” contract 1978-9.  
Principal Investigator: U.S. Environmental Protection Agency: “Assessment of Health Effects of Coke Oven Emissions,” contract, 1978-9.  
Principal Investigator: United Church Board of Homeland Ministries. “Women’s Occupational Health Resource Center General Support.”  
Principal Investigator: Ford Foundation: Women’s Occupational Health Resource Center Pilot Project Support, 1978.

#### **Professional Organizations and Societies**

American Industrial Hygiene Association, American Public Health Association; American Chemical Society; American Physical Society; American Association for the Advancement of Science; New York Academy of Sciences; International Commission for Occupational Health; Sigma Xi.

#### **Columbia University Departmental and University Committees**

Chronic Disease Global Initiative – 2011  
Robert Wood Johnson Health & Society Grant, Faculty Mentor, 2009-2011  
Deputy Chair, Health Policy and Management 1997 – 2007  
Academic Director, Macy Scholars Program, 2002-2007.  
Director General Public Health track 2000 - 2007  
Admissions Committee 2001- current  
Grants and Contracts Procedure Review Committee: 2002-2004  
Steering Committee, School of Public Health 1996-1998; 2003-2005.  
Chair, Doctoral Committee, Division of Health Policy and Management, 1988-1991.  
Chair, Administrative Committee: Division of Health Administration, 1987-89, Comprehensive Cancer Center: 1981-1986: Assistant Director for Cancer Control; Tumor Registry Committee; Scientific Liaison for Tumor Registry to Presbyterian Hospital; Cancer; Center Computer Committee

#### **Professional Committees and Consultations—Governmental**

Province of Ontario: Independent Fact-Finding Panel on 2,4,5-T, 2011-2013  
United Nations: International Labor Organization – updating Encyclopaedia of Occupational Health and Safety content and website, 2011  
Gulf War Illness Peer Review Panel. Defense (DoD) Congressionally Directed Medical Research Programs (CDMRP), 2010; ad hoc reviewer 2011.  
National Institute of Environmental Health Sciences, Worker Education and Training Program (NIEHS WETP) & OSHA Training Institute consultant OSHA Disaster Site Worker courses, May 21, 2008.  
President’s National Cancer Panel. “Environmental Factors in Cancer.” East Brunswick New Jersey. September 16, 2008.  
Mt. Sinai School of Medicine, World Trade Center Medical Monitoring Program, 2006 --

National Institute for Occupational Safety and Health, Disease, Disability and Injury Prevention and Control Special Emphasis Peer Review Panel, 2007

National Institute for Occupational Safety and Health, Disease, Disability and Injury Prevention and Control Special Emphasis Peer Review Panel, 2006

Canada Research Chairs Peer Review Committee, 2005 - present

US EPA, World Trade Center Expert Technical Review Panel, 2004 - 2006.

National Institute for Environmental Health Sciences, US-Vietnam Scientific Conference on Human Health and Environmental Effects of Agent Orange/Dioxins, Environmental Health Advisory Committee, 2002

Health Canada, Peer Reviewer-Study Section, National Centres of Health Excellence, 2001.

National Institute for Occupational Safety and Health: Ad Hoc Study Section, 2000.

National Occupational Research Agenda, Member Organization of Work Committee, 1996-2001

Health, Human Services, Occupational Health Panel Member, U.S.-Canada Women's Health Conference, Ottawa, August 1996

Health Canada, Peer Reviewer-Study Section, National Centres of Women's Health Excellence, 1996

National Institute for Occupational Safety and Health, Panel National Occupational Health Research Agenda, 1996

Health Canada, Peer Reviewer-Study Section, National Centres of Health Excellence, 1995

World Health Organization: Group Leader, Expert Panel on Guidelines for Health of Healthcare Workers and AIDS, Geneva, October 2-4, 1989

Office of Technology Assessment: Expert Panel on Reproductive Hazards in the Workplace, 1984-85; Expert Panel on Impact of New Technology on the Office, 1984-85

National Cancer Institute-Expert Panel Women and Smoking-1984; National Cancer Institute: Merit Peer Review Committee, Cancer Control, 1979-81

World Health Organization—Temporary Advisor 1984–85, Women's Occupational Health

New York State Department of Health Advisory Committee, 1982–86

Port Authority of New York and New Jersey: consultant on environmental impact of proposed construction project, 1983–84

Tennessee Valley Authority: Office of Safety and Health, consultant and lecturer, 1980–82

U.S. Surgeon General's Office: Work group on Occupational Health, Taskforce on Preventing Disease/Promoting Health, 1979

National Institute for Occupational Safety and Health: Technical Review Committee for the Benzene, Sulfur Dioxide, Mercury and Cadmium Criteria Documents; peer reviewer and site visitor for Educational Resource Centers, 1978-79

**Professional Committees and Consultations—Non-Governmental:**

External Accreditor – NYS: St. Johns University School of Public Health, 2014.

SUNY-Stony Brook External Site Visitor/Reviewer: Graduate Program in Public Health; 2011.

American Legion – Ad Hoc Committee on Traumatic Brain Injury- 2010 -

Institute of Medicine – consultant, Committee on Blue Water Navy Vietnam Veterans and Agent Orange Exposure, 2010

Robert Wood Johnson Health and Society Scholars Program - Gender and Health Working Group (Columbia University) 2009-2010

American Cancer Society (NY Div.), Research Evaluation Committee, October 1999 - 2002

Women's Health: Occupation, Cancer and Reproduction, Reykjavik, May 1998: Organizing and Scientific Committee Member

American Psychological Association–NIOSH Stress in the Workplace International Scientific Organizing Committee 2009, 2011

American Psychological Association–NIOSH 1998 Stress in the Workplace, Steering Committee member, 1997 - 1998

National Commission on Working Women: consultant and collaborator, 1985–88

American Hospital Association: Advisory Board, Reproductive Hazards in Health Care, 1986–87

American Co-Coordinator, International Scientific Conference: Working with Video Display Units, Stockholm May 1986

University of Medicine and Dentistry of New Jersey: Continuing Education Advisory Board, 1984–88

March of Dimes: Chair, Taskforce on Reproductive Hazards in the Workplace, 1980–84; Member, 1984–86; consultant on Environmental Reproductive Hazards Continuing Education Module for Physicians, 1985-89

American Occupational Health Nurses Association: Continuing Education consultant and lecturer, 1983-89

Hospital Employee Health, Advisory Board Member, Third Annual Conference on Hospital Employee Health, 1984.

American Lung Association: Environmental Health Taskforce, 1976-80; Occupational Health Advisory Board 1984-90

American Public Health Association: Governing Council, 1981-1983

Service Employees International Union: consultant, 1981-88

Coalition of Labor Union Women: Scientific Consultant 1975-80

National Union of Hospital and Health Care Workers: Scientific Consultant, 1975-88

American Chemical Society: Chair, Taskforce on Benzene, 1978-79; Committee on Chemical Safety, 1973-79; Taskforce on Safe Laboratory Practices 1978-79

American College of Obstetrics and Gynecology: Expert Panel for Guidelines on Pregnant Working Women, 1978

### **Selected Congressional Testimony**

US Senate Committee on Health, Education, Labor, and Pensions Hearing: "The Long-Term Health Impacts from September 11: A Review of Treatment, Diagnosis and Monitoring Efforts." March 21, 2007.

Hospitals and Health Care Subcommittee, House Committee on Veterans' Affairs, GV Montgomery, Chairman, 1989.

Human Resources and Intergovernmental Relations Subcommittee, House Committee on Government Operations, Ted Weiss, Chairman, 1989.

Committee on Science, Research and Technology, U.S. House of Representatives, Invited Testimony on The Quality of the Workplace Panel, Washington, DC, June 14, 1983

Investigation and Oversight Subcommittee, House Science and Technology Committee, Al Gore, Chairman, 1980

## **PUBLICATIONS**

**Selected Presentations at Professional Meetings (from 2000):**

Pless Kaiser, A., Spiro, A., Davison, E., & Stellman, J. *Vietnam-era women Veterans: Use and satisfaction with VA healthcare*. Poster. 29<sup>th</sup> Annual Meeting of the International Society for Traumatic Stress Studies, Philadelphia, PA, November 2013.

Stellman, J., Pless Kaiser, A., & Spiro, A. *Career Military Service, Family Structure and Well-being among Aging Women of the Vietnam War*. Paper. 66<sup>th</sup> Annual Meeting of the Gerontological Society of America, New Orleans, LA, November 2013.

Davison, E., Pless Kaiser, A., Wang, J. & Stellman, J. *Psychological outcomes among older women linked to stressful and positive nursing experiences in Vietnam*. Paper. 65<sup>th</sup> Annual Meeting of the Gerontological Society of America, San Diego, CA, , November 2012.

JM Stellman (with A Pless and AS Spiro). *PTSD mediates the impact of warzone stressors on health in women Vietnam Veterans*. Gerontological Society of America, Boston, Nov 18, 2011.

JM Stellman (with A Pless and AS Spiro). *Long-term outcomes among US women who served in Vietnam*. International Society for Traumatic Stress Studies. Montreal, Nov 6, 2010.

Jeanne Stellman, John Sommer Jr., Steven Stellman. *Combat and Mental and Physical Health Comorbidity in Vietnam Veterans*. 3rd International Conference on Psychosocial Factors at Work, Quebec City, September 1-4, 2008.

JM Stellman, et al. *The World Trade Center Attacks: Psychological Morbidity and Lessons Learned*. APA-NIOSH Work Stress and Health Conference, March 2008, Washington DC.

Messing, K and Stellman JM. *Sex, gender and women's occupational health: the importance of considering mechanism*. Plenary session paper, CAWHR, Vancouver Canada, May 2005.

Stellman, SD, Stellman, JM, Tomasallo, C. *Cancer Mortality In A Cohort Of 100,000 Vietnam Veterans*, Spotlight/Contributed Paper Session, Society for Epidemiological Research/CSEB Joint Meeting, Toronto, ONT, June, 2005.

Association of American Medical Colleges, MD-MPH Education Programs, Chicago, June 2005 - invited plenary session speaker.

Stellman, JM, Panel Chair & Presenter: *American Women in the Military: From the Vietnam Era to the Present*, New Orleans, International Society for Traumatic Stress Studies, November 16, 2004.

Messing, K. and Stellman, J. M. *Women and Men and health and safety*. International Think Tank on Gender, Sex and Health, Canadian Institutes of Health Research. February 28, 2003.

Messing, K. and Stellman, J. M. *Women and men and health and safety*. 1st International Seminar on Safety, Health, and Environment ---Challenges and Opportunities for Women, sponsored by the Society for Working Life of India and the Confederation of Indian Industry. New Delhi, India, Feb. 6, 2003.

Stellman, JM, Stellman, SD, Stellman, A, Christian, R, Tomasallo, C, Weber, T. *Visualization of US Army Military Unit Locations in Relation to Herbicide Spraying during the Vietnam War*, Intl Society for Exposure Analysis/Intl Soc for Environmental Epidemiology, Vancouver 2002.

Stellman, SD, Stellman JM, Christian R, Weber T, Stellman AB. *Effect of Varying Soil Typology on Estimates of Residual Exposure To Herbicides and Dioxins in Vietnam – a Sensitivity Analysis*. US-Vietnam Scientific Conference on Human Health and Environmental Effects of Agent Orange/Dioxins (invited speaker), Hanoi, 2002.

Koenen, K.C., Stellman, J.M., Stellman, S.D., & Sommer, J.F. (2000, November). *Course and risk factors for PTSD in Vietnam veterans*. International Society of Traumatic Stress Studies, San Antonio, Texas, November 2000.

Stellman, J.M., Stellman, S.D., Koenen, K.C., & Sommer, J.F. (2000, November). *Persisting social and behavioral effects of exposure to combat in Vietnam veterans*. International Society of Traumatic Stress Studies, San Antonio, Texas, November 2000.

Stellman, J.M., Stellman, S.D., Koenen, K.C., & Sommer, J.F.. *Experiences of Vietnam era veterans with VA health care facilities*. International Society of Traumatic Stress Studies, San Antonio, Texas, November 2000.

- Stellman, JM, Stellman, Tomasello, CD, Christian, RC, Stellman, SD, *"Mobility Factor Analysis": A Mission-Job Exposure Methodology for Modeling Troop Exposures to Environmental Factors*. International Society for Exposure Analysis meeting, Monterey, August 2000.

US-Vietnam Scientific Conference on Human Health and Environmental Effects of Agent Orange/Dioxins, Hanoi, 2002.

Ecological and Health Effects of the Vietnam War Symposium. Yale University School of Nursing, New Haven. September 13-15, 2002

Women and Work Panel, Second Hispanic Forum for a Safe and Health Environment, San Diego, Oct 7-9, 2002.

Bound by Conception: Perennial problems in sex-based models of medical research. (Plenary Keynote). European Association of Women's Health Research, Vienna, Austria, Sept. 16-18, 2002.

Agent Orange: Geographical Distribution, Fate and Transport. NIEHS Ad Hoc Panel, August 18, 2000. Monterey, CA.

Keynote Address: 11<sup>th</sup> International Congress on Women's Health Issues. San Francisco, January 27, 2000.

American Psychology Association. "Critical Issues for Women in the Millenium" invited panelist. Boston, September, 1999.

Institute of Medicine, Invited Presentation "Environmental Workplace Exposures," Workshop on Gender Differences, May 1997

Hassan Fathy Institute for Construction Workers: Conference on Safety and Health in Construction in Central and Eastern Europe, "Chemical Hazards in Construction," Budapest, May, 1994.

Opening Address, National Cancer Institute International Symposium "Where women work and the hazards they may face on the job." Baltimore, 1994.

New York Academy of Sciences Environmental Sciences Section: "Incorporating Environmental Health into an Occupational Health Framework," November 16, 1994.

ProHealth Care Conference, Swedish National Board for Occupational Safety and Health: "Chemical Exposures and health care workers," invited plenary address, Stockholm, June, 1994.

Health and Welfare Canada: Keynote Address, "Research Roundtable on Gender and Workplace Health," Ottawa, 1992.

Institute of Medicine, Invited Presentation to Committee to Review Health Effects in Vietnam Veterans of Exposure to Herbicides, 1992

Women's City Club: Marta Fraenkel Symposium Panel: "Sexism in Formulation of Policy, New York, December, 1990.

University of Iowa Labor Center, Series of lectures on: "Occupational Health Issues: Old Problems waiting for new priorities," Iowa City, Iowa, March, 1989.

Mount Sinai Environmental Health Sciences Seminar Series, "Building Bridges Between Chemistry and Toxicology," New York City, February, 1989.

Washington State Association of Occupational Health Nurses, "Reproductive Hazards in the Workplace," Seattle, January, 1989.

Northwest Center for Occupational Health and Safety (University of Washington Consortium), "Office Environment: Effects of Office Automation," lecturer, Seattle, January, 1989.

NYC Department of Health Intern Program, Graduation Address, New York City, June, 1989.

Washington Clearinghouse On Women's Issues, Featured speaker: "Women's Occupational Health Problems," Washington, D.C., October, 1989.

First Annual Vietnam Veterans Reunion, on Veterans' exposure to herbicides, keynote address. Mitchell, South Dakota, November, 1989.

B.C. Government Employees' Union, Seminar on Health and Safety Issues of the 80s—Office Workers," keynote speaker, Victoria, British Columbia, January, 1989.

PHILAPOSH Conference (Philadelphia Area Project on Occupational Safety and Health), "Your job and child-bearing," Keynote address, Philadelphia, October, 1988.

Telecommunications Workers Union Health and Safety Seminar, Keynote address, Vancouver, October, 1988.

Public Voice for Food and Health Policy, “Women Taking Charge,” conference: “Women’s Health: An examination of workplace risks,” Washington, DC., February, 1988.

Brooklyn Museum, “Radium City” Film series expert speaker, Brooklyn, June, 1988.

Communication Workers of America, National Community Services/OSH Conference, “Occupational Stress and VDTs,” Las Vegas, Nevada, February, 1988.

Health and Welfare Canada: Symposium on Changing Patterns of Health and Disease in Canadian Women, “Wrap-Up” Speaker, Ottawa, April, 1988.

Bryn Mawr College Series on Occupational Health and Human Values, “Reproductive Health Hazards in the Workplace: More than a Woman’s Issue,” Bryn Mawr, March, 1988.

March of Dimes Editors’ Luncheon, “The 1988 Woman: In the Workplace and Pregnant.” Lincoln Center, New York City, December, 1987.

Center for the American Woman and Politics, “Reproductive Hazards in the Workplace,” workshop panel. San Diego, California, November, 1987.

University of Virginia Medical Center, Antineoplastic Chemotherapy Conference, “Chemotherapy Epidemiology, Hazards and Risks.” Charlottesville, November, 1987.

The Council for Environment & Health, International Conference on Indoor Air Quality Panel: “Epidemiology of Passive Smoking,” Tokyo, November, 1987.

McGraw Hill Chemical Week Seminar: Electronic Chemical News, New York, October, 1987.

American Lung Association, Keynote address, “Health Hazards in the World of Work,” New York, September 1987.

NY Academy of Sciences and Rutgers Forum on Reproductive Laws for the 1990s, “Reproductive Health Hazards in the Workplace,” New York City, May, 1987.

New School for Social Research Forum on Science, Technology and Power: “Genetic Screening in the Workplace,” NYC, April, 1987.

International Federation of Chemical, Energy and General Workers’ Unions, Women’s World Conference: “Chemicals—Hope and Responsibility,” Speaker and workshop leader, Brussels, October, 1987.

British Columbia Federation of Labor, Keynote Address, “Chemical Hazards in the Workplace,” Vancouver, March, 1987.
