

CURRICULUM VITAE

JAMES F. PHILLIPS

1. Date of preparation

September 1, 2020

2. Academic appointments (in reverse chronological order)

The University of Queensland School of Public Health, Brisbane, Australia, Visiting Co-Supervisor/ Thesis Advisor, Doctoral Program, (September 2020-present).

Columbia University, New York, NY, USA. Institute for the Study of Human Rights, Member, Faculty of the ISHR, (June 2019-present).

Columbia University, New York, NY, USA. Mailman School of Public Health, Professor Emeritus, (September 1, 2018-present).

The Mailman School of Public Health, Columbia University New York, NY, USA. (September 1, 2018- present), Special Lecturer, Heilbrunn Department of Population and Family Health, Columbia University Mailman School of Public Health.

The Mailman School of Public Health, Columbia University (May 2008- August 31, 2018), Professor, Columbia University Medical Center and Population and Family Health, Heilbrunn Department of Population and Family Health.

The University of New South Wales, Randwick, Australia, External Examiner (July 2018-December 2018).

The University of Ghana, Legon, Ghana, Regional Institute for Population Studies. External Examiner (February 2018-present).

Queen Margaret University, Edinburgh, United Kingdom. External Examiner (February 2017-present).

The Swiss Tropical and Public Health Institute, University of Basel. External Examiner, (December 2013-March 2016).

The University of Ghana School of Public Health (January 2010 – December 2015), External Examiner.

Columbia University, New York, NY, USA. Population Research Center (November 2008-August 31 2018), Member, Faculty of the CPRC.

The Mailman School of Public Health, Columbia University, New York, NY, USA. (May 2013-May 2018), Founding Director, Advancing Research on Comprehensive Health Systems, Heilbrunn Department of Population and Family Health, Heilbrunn Department of

Population and Family Health.

The Mailman School of Public Health, Columbia University, New York, NY, USA. (December, 2007- May 2008), Senior Lecturer, Heilbrunn Department of Population and Family Health, Columbia University Mailman School of Public Health.

Mahidol University, Nakhon Pathom, Thailand (September 1986-August 1987), Visiting Lecturer.

Australia National University, Canberra, Australia Department of Demography (January 1983-December 1986), External Examiner.

Dhaka University, Dhaka Bangladesh (1984-1985), Department of Statistics, External Examiner.

University of the Philippines, Diliman, Philippines (September 1972-May 1975) Visiting Lecturer, University of the Philippines Population Institute, Republic of the Philippines.

3. Other Professional Positions and Activities

The Population Council (November 1972-January 2008):

- 1) December 2007 – January 2008: Consulting Senior Associate.
- 2) March, 2005-January 2008: Advisor, Primary Health Improvement Project, Socialist Republic of Vietnam.
- 3) February 2004-May 2007: Senior Technical Advisor, Community-based Health Planning and Services (CHPS) Technical Assistance Project, Ghana
- 4) February 1998 to present: Senior Advisor, Ghana Health Service, CHPS Initiative.
- 5) January 1989 – December 2007: Senior Associate, Policy Research Division, New York.
- 6) July 1987 – December 1988: Associate, Center for Policy Studies, New York.
- 7) June 1985 – June 1987: Associate of the International Programs Division, the Population Council Regional Office for South and East Asia, Bangkok, Thailand.
- 8) November 1979 – June 1985: Associate of the International Programs Division and Scientist, International Centre for Diarrhoeal Disease Research, Bangladesh (ICDDR,B).
- 9) May 1975-October 1979: Population Council Fellow, University of Michigan.
- 10) November 1972 – April 1975: Field Research Associate, Technical Assistance Division, and Visiting Lecturer, the University of the Philippines Population Institute, Manila, Republic of the Philippines.

The International Union for Child Welfare, Geneva

June 1970 – August 1970: Field Associate, East Central State, Nigeria.

UNICEF, United Nations, New York

October 1969 – June 1970: United Nations Forward Observer, Third Marine Commando Division, Nigerian Army, Eastern Nigeria and UN counterpart to the Nigerian Red Cross.

The International Committee of the Red Cross, Geneva

April 1969 – October 1969: Assistant Area Coordinator (South-East Sector, Biafra).

United States Peace Corps, Nigeria
April 1967 – March 1969: Research Assistant, Arthropod Borne Virus Research Centre, University of Ibadan, Nigeria and Volunteer, United States Peace Corps.

4. Education

PhD. University of Michigan, Sociology–Demography (September 1975-January 1980)
Dissertation: “A Logistic Regression Analysis of Attrition Among Philippine Contraceptive Adopters,” Rackham School of Graduate Studies, University of Michigan.
Ann Arbor Michigan: University Microfilms # 8025746
Co-Advisors: Professors Ronald Freedman and William Mason.

M.S. University of Hawaii, Population Studies (September 1970-May 1972).
Thesis: “A Demographic Profile of the Cook Islands,” Honolulu: East-West Population Institute, University of Hawaii.
Advisor: Professor Park Chai Bin

B.S. University of Michigan, Microbiology (September 1962-January 1967).

5. Fellowships

East-West Population Fellow, East-West Center, University of Hawaii, Honolulu Hawaii, September 1970-August 1972

Population Council Intern, University of the Philippines, Population Institute, Manila, Philippines November 1972 – April 1975.

Bernard Berelson Fellow, Population Council May 1975-April 1979 Population Council, New York, NY,

Battelle Fellow, University of Michigan Population Institute, May 1979-December 1979. Ann Arbor, Michigan.

6. Certifications

Summer Institute in Demographic Methods, East West Population Institute, University of Hawaii

Summer Institute in Survey Research, Methods in Survey Sampling, Institute for Social Research, University of Michigan.

7. Honors & Awards

The 2004 Office of Population and Reproductive Health, Bureau for Global Health, of the USAID/Washington Research, Technology, and Utilization Division, Office of Population and Reproductive Health Marjorie C. Horn Operations Research Award for excellence in

implementation of operations and program research and utilization of research results for program improvement.

The 2006 Presidential Excellence Awards, Republic of Ghana, Ministry for Public Sector Reform:
Excellence in Partnerships (First of four national awards) for international support of the Ghana Health Service and
Excellence in Innovation (Second of four national awards) to the Policy Planning Monitoring and Evaluation Division, Ghana Health Service and the Population Council for the Community-health Planning and Services (CHPS) Initiative.

The 2010 Outstanding Support Award of the INDEPTH Network for outstanding contribution to the International Network of field sites with continuous Demographic Evaluation of Populations and Their Health in developing countries (INDEPTH) and the INDEPTH Scientific Advisory Committee.

The 2013 Dean's Award for Excellence in Mentoring, Mailman School of Public Health, Columbia University.

The 2020 Carl S. Schultz Award for Lifetime Achievement, American Public Health Association.

8. Academic Service

Editorial Advisor, *BioMed Central Health Services Research*, August 1, 2019- present.

Editorial Board, *Journal of Global Health Science*, February 1, 2019-present.

Associate Editor, *BioMed Central Health Services Research*, December 1, 2016-July 31, 2019

Associate Editor, *PLoS Medicine*, November 1, 2016-present

Editorial Board 'Health Services Research in Low and Middle Income Settings' section of *BioMed Central Health Services Research*, 2013- 2019.

Editorial Board, *Global Health: Science and Practice*, 2012-present.

Editorial Board, *African Population Studies*, Member, February, 2008-present.

Editorial Committee, *Studies in Family Planning*, September 1, 1988- November 30, 2007.

9. Professional Contributions, Organizations and Societies

Journal Reviewer:

African Population Studies, BioMed Central Health Services Research, BioMed Central Pregnancy and Childbirth, BioMed Central Public Health, BioMed Central Reproductive Health, The European Journal of Contraception and Reproductive Health Care, Demography, Frontiers in Public Health, Gates Open Research, Global Health: Science and Practice, Health Policy, Health Policy and Planning, International Journal of Reproductive Medicine, Health Research Policy and Systems, International Journal of Pediatrics, Journal of Global Health Science, Journal of Public Affairs, The Lancet (Global Health), PLoS One, PLoS Medicine, SAGE Open, Scandinavian Journal of Public Health, Sexual and Reproductive Health Matters, Studies in Family Planning, Social Science in Medicine.

Professional committees and advisory roles (reverse chronological order):

Member, *Journal of Global Health Science* Commission on COVID-19, May 8, 2020- present.

Strategic Advisory Committee, The National Program for Strengthening the Implementation of the Community-based Health Planning and Services (CHPS) Initiative in Ghana: CHPS+, Ghana Health Service, June 2016-August 2018.

Science Advisory Committee, International Centre for Diarrhoeal Disease Research, Bangladesh, April, 2014- present.

International Union for the Scientific Study of Population
Chair, Committee on Family Planning and Fertility (January 1987-December 1993).

Advisory Council of the Women's Health and Education Centre (WHEC), Member, June, 2007-present.

Science Advisory Committee, Université de Ouagadougou Observatoire de Population de Ouagadougou (OPO), Institut Supérieur des Sciences de la Population, January 2007-2013.

Technical Advisory Group of the Saving Newborn Lives Program, Save the Children, Member, October, 2006-September, 2011.

Consortium Advisory Group (CAG), Strengthening Evidence for Programming on Unintended Pregnancy (STEP-UP), Population Council, 2011-2016.

Expanding Community Health Care Accessibility Network in Africa (ExCHANGE-Africa), May, 2005-present: Member, Founding Steering Committee (<http://www.exchange-africa.com>).

ExpandNet: Network for Expanding Innovations in Reproductive and Child Health, March 2003 – present: Member, Founding Steering Committee (<http://www.expandnet.net>).

INTACT: International Network to Analyze, Communicate and Transform the Campaign Against Female Genital Cutting, April 2002, Member, Founding Steering Committee (<http://www.intact-network.net>).

INDEPTH: An International Network of field sites with continuous Demographic Evaluation of Populations and Their Health in developing countries,
1997-1998: Member, Founding Steering Committee.
2002 – 2012, Member, Science Advisory Committee (<http://www.indepth-network.net>).

Community-based Health Planning and Services (CHPS) Initiative, Ghana Health Service, January, 2000- December 2007: Member, Office of the Director General Steering Committee (<http://www.ghana-chps.org>).

The World Health Organization, January 2000 – October 2002: Member, International Committee for Vaccine Safety Research.

The International Union for the Scientific Study of Population, Chair, Committee on Fertility and Family Planning (April 1995 – August 2001): Member, Committee on the Comparative Analysis of Family Planning and Fertility (April 1986 – July 1989).

Population Council, September 1991 – March 2008: Member, Editorial Committee, *Studies in Family Planning*.

Association for Voluntary Surgical Contraception (EngenderHealth), January 1989 – 1995, Member, Science Committee.

World Health Organization, February 1985 – January 1989: Member, Task Force on Social and Behavioural Determinants of Fertility Regulation, Human Reproduction Programme.

United States National Academy of Sciences, January 1987 – November 1989: Member, Committee on Population, National Research Council.

The International Committee for Applied Research on Population, September 1972 – May 1975, Member.

Professional memberships:

American Public Health Association, Bangladesh Population Association, Canadian Population Society, Canadian Society for International Health, Federation of Canadian Demographers, International Union for the Scientific Study of Population, Population Association of America, Public Health Association of New York City, Society for Family Planning, Union for African Population Studies.

10. Public Health Interventions

Advisor, Demographic Profile of the Cook Islands, South Pacific Commission, July-August, 1971.

Principal Investigator, National Family Planning Acceptor Survey 1974, University of the Philippines Population Institute (February 1974-January 1975).

Principal Investigator, Matlab Family Planning Health Services Project, January 1980-June 1986, International Centre for Diarrhoeal Disease Research, Bangladesh.

Principal Investigator, Bangladesh Maternal and Child Health Extension Programme, March 1982-June 1986.

Principal Investigator, Ghana Female Genital Mutilation Abandonment Project, September 1999-December 2003

Senior Advisor, Navrongo Community Health and Family Planning Project, February 1993-June 2003.

Senior Advisor, Ghana Community-based Health Planning and Services (CHPS) Initiative, Ghana Health Service (December 1999-present).

Principal Investigator, Mobile Technology for Community Health (MoTeCH), November 2010-December 2012.

Principal Investigator, Tanzania Connect Project (October 2010-June 2015).

Principal Investigator, Ghana Essential Health Interventions Programme (GEHIP) (October 2010-January 2016).

Principal Investigator, A National Program for Strengthening the Implementation of the Community-based Health Planning and Services (CHPS) Initiative in Ghana: CHPS+. (April 2016-June 2018).

Senior Advisor, A National Program for Strengthening the Implementation of the Community-based Health Planning and Services (CHPS) Initiative in Ghana: CHPS+ (July 2018-present).

11. Peer Reviewed Publications (211)

Journal articles (160) in chronological order):

Loewenstein, Matthew S. and James F. Phillips. 1973. "Evaluation of an arm circumference method for measuring the nutritional status of children and its use in an acute epidemic of malnutrition: Owerri, Nigeria following the Nigerian Civil War." *The American Journal of Clinical Nutrition*, 26:226-233.
