Postdoctoral Training

| | |
|---|---------|
| Internship in Medicine & Surgery, The London Hospital, London, England | 1954-55 |
| Assistant Resident in Medicine, St. Luke's Hospital Center, New York, NY | 1957-59 |
| Training Fellow in Medicine (Gastroenterology), Massachusetts General Hospital, Boston, MA (Dr. K.J. Isselbacher) | 1959-61 |

Certification

| | |
|-------------------------------------|------|
| New York State License | 1959 |
| American Board of Internal Medicine | 1966 |

Professional Appointments

| | |
|---|-----------|
| Royal Army Medical Corps (active duty), Internist and Pathologist; Acting rank of Major at discharge | 1955-57 |
| Chief, Division of Gastroenterology, Medical Service, St. Luke's Hospital Center, New York, NY | 1961-96 |
| Assistant Attending Physician, St. Luke's Hospital Center, New York, NY | 1961-67 |
| Assistant Physician, Medical Service, Vanderbilt Clinic, Presbyterian Hospital, New York, NY | 1964-70 |
| Associate Attending Physician, St. Luke's Hospital Center, New York, NY | 1967-71 |
| Assistant Physician, Presbyterian Hospital, New York, NY | 1971-72 |
| Attending Physician, St. Luke's Hospital Center, New York, NY | 1971-2007 |
| Associate Attending Physician, Presbyterian Hospital, New York, NY | 1976-88 |
| Research Collaborator, Brookhaven National Laboratory, Upton, NY | 1973-79 |
| Member, Bioengineering Institute, Columbia University, New York, NY | 1975-87 |
| Member, Institute of Human Nutrition, Columbia University, College of Physicians & Surgeons, New York, NY | 1978-2000 |
| Member, Columbia University Cancer Center | 1993-2004 |
| Attending Physician, Presbyterian Hospital, New York, NY | 1988-2007 |
| Consulting Physician, Putnam Hospital Center, Carmel, NY | 1988-90 |
| Chief, Division of Gastroenterology, Medical Service St. Luke's-Roosevelt Hospital Center, New York, NY | 1996-2000 |
| Senior Scientist, American Health Foundation | 2000-2004 |
| Adjunct Senior Scientist, Strang Cancer Prevention Center | 2000-2004 |
| Member, Albert Einstein Cancer Center | 2004-2012 |
| Visiting Associate Physician, Rockefeller University Hospital, New York, NY | 2001-2004 |
| Director, James E. Olsen Colon Cancer Prevention Program, and Senior Scientist, Strang Cancer Prevention Center, New York, NY | 2004-2007 |
| Associate Physician, The Rockefeller University Hospital | 2007- |
| Associate Director, Sackler Center for Biomedicine and Nutrition Research | 2014- |

Academic Appointments

| | |
|---|-----------|
| Research Fellow in Medicine, Harvard Medical School, Boston, MA. | 1959-61 |
| Associate in Medicine, College of Physicians & Surgeons, Columbia University, New York, NY | 1961-65 |
| Assistant Clinical Professor of Medicine, College of Physicians & Surgeons, Columbia University, New York, NY | 1965-67 |
| Associate Clinical Professor of Medicine, College of Physicians & Surgeons, Columbia University, New York, NY | 1967-71 |
| Associate Professor of Medicine, College of Physicians & Surgeons, Columbia University, New York, NY | 1971-75 |
| Professor of Medicine, College of Physicians & Surgeons, Columbia University, New York, NY | 1975-2000 |
| Professor of Medicine Emeritus, College of Physicians & Surgeons Columbia University, New York, NY | 2000- |
| Visiting Investigator, Memorial Sloan-Kettering Cancer Center, New York, NY | 1988-90 |
| Adjunct Professor, The Rockefeller University | 2000-2007 |

| | |
|---|--------------|
| Senior Research Associate, The Rockefeller University in the Laboratory of Biochemical Genetics and Metabolism | 2007-Present |
| Adjunct Professor of Medicine, Weill Cornell Medical College | 2010-Present |

Grant Support

| | |
|--|-----------|
| PI NIH Research Grants and Contracts | 1964-2007 |
| PI NIH Training Grants – Gastroenterology, Columbia University | 1967-1976 |
| PI NIA Training Grants in Aging Gastroenterology, St. Luke's Hospital Center | 1988-1993 |

Extramural Assignments

New York Gastroenterological Association:

Council (1969-74), Secretary-Treasurer (1969-70), Vice President (1970-71), President (1971-72)

American Gastroenterological Association:

Committee on Research (1971-74), Chairman (1973-74)

Committee on Procedures(1977-80),

Admissions Committee (1982-86)

Chairman Council on Aging (1982-86)

Member Manpower and Training Committee (2000-2003)

Member International Committee (2005-)

Co-Chair (2008-2009), Chair (2009- 2012)

Member, AGA Task Force on Aging (1999)

American College of Gastroenterology:

Committee on Drugs and FDA Related Matters(1984-86)

American Association for the Study of Liver Diseases:

Fiscal and Audit Committee (1978-80)

National Institutes of Arthritis and Metabolic Digestive Diseases:

- 12th Work Group of the NIAMDD Evaluation Effort - Future of Digestive Disease Research

- Work Group on Human Experimentation, Chairman (1973-75)

- Ad Hoc Grant Reviewer (1970-)

National Commission on Digestive Disease:

Work Group on Clinical Research (1977-79)

National Institute on Aging:

Ad Hoc Grant Reviewer (1982-)

Member Safety and Data Monitoring Committee Vitamin D/Calcium Polyp Study (2009-)

Intersociety Committee on Clinical Investigation in Digestive Disease:

Chairman (1975-79)

National Foundation for Ileitis & Colitis:

Scientific Advisory Committee (NY Chapter) (1975-85),Chairman (1976-78)

National Scientific Advisory Committee(1976-90), Executive Cabinet (1983-85)

Grants Review Committee (1982-84)

Research Training Awards Program Committee (1983-88), Chairman (1984-86)

American College of Physicians - Governor's Advisory Committee, Downstate New York (1979-82)

Organisation Mondiale de Gastroenterologie et d'Endoscopie Digestives (OMGE):

Secretary, Committee on Ethics(1982-90), Member, Committee on Ethics (1990-94)

Chair, Nomination Committee (1990-94)

Member, Governing Council (1990-94)

Member, Research Committee (1994-2000)

American Federation for Aging Research:

Member, Ad Hoc Research Review Committee (1982-1990)
 Member, National Scientific Advisory Council (1988-91)
 World Health Organization Nomenclature Committee (1984- 1989)
 Burrill B. Crohn's Research Foundation - National Scientific Consultant (1983-1990)
 Scientific Advisory Board World Congress of Gastroenterology (1998)
 Internal Advisory and Curriculum Committee - R25 Cancer Prevention Training
 Program Cornell University (2007-2008)

Columbia University - Intramural Assignments (Selected)

| | |
|---|-----------|
| Director, National Institutes of Health Training Grant in Gastroenterology | 1967-76 |
| Director, National Institute on Aging Training Grant in Gastroenterology | 1986-92 |
| Director, Abnormal Human Biology Course, Gastroenterology Section | 1972-75 |
| Chairman, Curriculum Committee, GI Nutrition Study Group | 1971-72 |
| Faculty Council Member, Gastroenterology Committee on Curriculum Continuity | 1975-76 |
| Faculty Council | 1983-86 |
| Doctoral Program Committee, Institute of Human Nutrition | 1984-86 |
| Steering Committee, Center for Geriatrics and Gerontology | 1980-82 |
| Director, Annual Postgraduate Course in Gastroenterology | 1983-97 |
| Member, Comprehensive Cancer Center | 1986-2004 |
| Associate Member, Columbia University Seminars on Cancer | 1992-2004 |

St. Luke's/Roosevelt Hospital Center - Intramural Assignments (Selected)

| | |
|---|-----------|
| Education Committee | 1980-2001 |
| Chairman | 1980-84 |
| Chair, Search Committee for Director of Pathology | 1983-84 |
| Academic Affairs Committee | 1986-2000 |
| Search Committee for Director of Gerontology | 1987-89 |
| Executive Committee Department of Medicine | 1974-2000 |

| Advisory Committee for Clinical and Translational Science | 2006- |
| Chair | 2013 |

Invitations and Visiting Professorships

Visiting Professor, Department of Surgery at the University of Texas, Galveston, TX (1992)
 Invited Participant, Symposium on "*Ethics at the First European Digestive Disease Week*", Athens, Greece (1992)
 Trevor Howell Lecturer, British Geriatric Society, London, England (1992)
 Invited Participant, "*Acid Related Disorders: Science and Implications for Management*", Boston, MA (1993)
 Faculty Participant, NIH General Medicine A-2 Study Section (1993)
 Invited Participant, Fourth Annual Updates in Gastroenterology and Geriatrics in Practice: "*Gastrointestinal Problems in the Elderly*", Pittsburgh, PA (1994)
 Invited Speaker, "*Biological Science Section of the Gerontological Society of America*",

Atlanta, GA (1994)
Visiting Professor, University of Colorado School of Medicine (1994)
Organizer, Chairperson and Speaker, Symposium on "*The Biology of Aging*", The X World Congress of Gastroenterology, Los Angeles, CA (1994)
Invited Speaker, "*Intervention in Aging*". IV, Volterra, Italy (1995)
Invited Participant, Gordon Research Conference, Pisa, Italy (1995)
Invited Participant, "*Meet-the-Professor Sessions, Digestive Disease Week*", San Diego, CA (1995)
Visiting Professor, Temple University (1995)
Invited Speaker, Symposium on "*Aging Effects on Gastrointestinal on Liver Function*", The American Aging Association, San Francisco, CA (1996)
Chair, Oncology Subsection Session, Digestive Disease Week (1997)
Digestive Disease Week (1998)
Digestive Disease Week (1999)
Invited Participant, World Congresses of Gastroenterology, Minisymposium on Gastrointestinal Diseases In The Elderly, American College of Nutrition, Vienna Austria (1998)
Invited Speaker, Strang International Cancer Prevention Conference (1998)
Invited Participant, Geriatric Educational Retreat for Gastroenterology, St. Johns U.S. Virgin Islands (1999)
Dorothy Dillon Eweson Lecture, American Federation for Aging Research, Pisa Italy (1999)
Invited Speaker, Dietitians of Canada Oncology Network, Diet and Cancer: Looking Beyond 2000 Vancouver Canada (1999)
Invited Speaker, Calcium Summit, BSMG Worldwide (1999)
Invited Speaker, International Workshop "Dairy Products and Colon Cancer Risk Reduction" Utrecht, The Netherlands (1999)
Invited Speaker, Special Nutrition Lecture Series, Memorial Sloan Kettering Cancer Center (1999)
Invited Participant, Second International Meeting "Gastrointestinal Diseases in the Elderly" Vicenza, Italy (2000)
Invited Participant, Integrating Geriatrics into the Subspecialties of Internal Medicine Los Cabos, Mexico (2000)
Invited Speaker, Second Annual Chao Family Comprehensive Cancer Center Symposium Newport Beach, California (2000)
Invited Speaker, Second Sass Symposium on Basic Mechanisms of Cancer and Therapy Crete, Greece (2000)
First Congress European Geriatric Gastroenterology Study Group, Vicenza, Italy (2001)
Invited Speaker, Dairy Farmers of Canada, "The Smart Gourmet: Dairy Foods for Health and Pleasure" Montreal, Canada (2001)
Invited Speaker, Scientific Society of Gastroenterologists of Russia, Moscow (2008)
Organizer and Speaker AGA – Romanian Society of Gastroenterology and Hepatology, Iasi, Romania (2008)

Invited Speaker, American Geriatrics Society, Washington, DC (2008)
Co Chair and Speaker AGA – Scientific Society of Gastroenterologists of Russia
(GSSR) Course, GSSR Annual Meeting, Moscow Russia (2009)
Chair of 2 sessions at DDW 2009, Chicago (2009)
Co Chair Rising Stars – AGA Research Scholar meeting, Lecture Best of DDW
2009, Annual UEGW meeting London, England (2009)
Co Chair and Speaker AGA – GSSR Course, GSSR Annual meeting Moscow, Russia (2010)
Chair of 2 sessions and oral Presentation DDW 2010 New Orleans (2010)
Co Chair and Speaker AGA – GSSR Course, St. Petersburg, Russia (2010)
Speaker Annual meeting of Spanish Society Santiago de Compostela, Spain (2010)
Co Chair AGA – Pan American Course and lecturer, Pan American meeting
Guayaquil, Ecuador (2010)
Co Chair Rising Star – AGA Research Scholar meeting and lecturer, Best of
DDW, 2010 Annual UEGW meeting Barcelona, Spain (2010)
Lecturer VIII European meeting in Gastroenterology and Hepatology Florence, Italy (2010)
Chair and Speaker on Colorectal cancer DDW 2011
Co-chair and Speaker Annual Meeting of Spanish Gastroenterology Association,
Seville June 2011
Organizer and Speaker, Best of DDW at the Annual Meeting of the European
Gastroenterology Association (UEGW) Stockholm October 2011
Chair and Speaker Annual meeting of Mexican Gastroenterology Association
Leon Mexico November 2011
Organizer and speaker Obesity and Cancer Symposium DDW 2012
Organizer and speaker Annual meeting of the Spanish Gastroenterology
Association Bilbao Spain June 2012
Section chair FASEB conference “Probiotics, intestinal microbiota and the host.
Physiologic and clinical implications. July 2011
Organizer and speaker Best of the 2012 Spring Postgraduate Course held in
Johannesburg, Durban and Capetown South Africa September 2012
Chair Research Session DDW May 2013
Speaker Emeritus Professors of Columbia University April 2014
Speaker Activating a Global Research Agenda for Nutrition Science
Wageningen, The Netherlands June 2014
